

JET KLEEN™ HSG-E70

Gel Hand Sanitizer

Our line of HSG-E70 products consists of a 70% by volume ethanol hand sanitizer gel formulation made from USP, pharmaceutical, cosmetic grade, and non-GMO certified materials. The carefully formulated combination of inactive ingredients in the appropriate ratios give the product a quick and desirable rub time, while leaving your hands feeling soft, refreshed, and rejuvenated. We also have multiple fragrances available.
